**DECISION** ON PETITION

This is a response to the copy of the amendment filed March 11, 2004. The copy of the amendment is treated as a petition to withdraw holding of abandonment.

The petition is granted.

This application became abandoned for failure to timely file a response to the Office action mailed June 20, 2003, which set a shortened statutory period of three (3) months to reply. A Notice of Abandonment was mailed on March 8, 2004.

The copy of the amendment bears a certificate of facsimile transmission dated September 22, 2003. Also included with the amendment is a copy of an Auto-Reply Facsimile Transmission indicating that a 12 page document from Petitioner was received in the U.S. Patent and Trademark Office on September 22, 2003.

Accordingly, it is deemed that the original amendment was received on September 22, 2003 and subsequently misplaced. The Notice of Abandonment is vacated and the holding of abandonment withdrawn.

The copy of the amendment has been entered. The file will be forwarded to the examiner for consideration in due course.
